

ALLOTMENT OF VACANCIES FOR BASIC AVSEC AND TESTING & CERTIFICATION OF SCREENERS.

The Basic AVSEC and Screener's certification programme is a re-curing requirement since all the security / other employees of organization in civil aviation have to be certified/ re-certified / undergo refresher courses periodically as mandated by NCASTP and other BCAS guidelines issued under section 5A of Aircraft Act 1934 (as amended) by the appropriate authority.

2. It is directed that participants in Basic AVSC course in regional office should be from non- scheduled operators APSU's and the Airlines/Airport operator not having their approved training Centres. Vacancies to ASG and organization having their training centres shall only be given in case of shortfall in completing the number of participants.

3. Keeping in view the large number of requirements for screener's vacancies for domestic and international airlines and also the re-certification of screeners are required after every two years, the allotment of vacancies has been increased as mentioned below. The number of candidates per course is also increased from 30-40. The same beside being communicated to all concerned by this HQ shall be taken as a norm by regional offices while accepting the nominations till such time further changes are necessitated. Where the concerned agency/ airlines has not utilized allotted vacancies, additional vacancies can be released to those who may be seeking the same.

4. The vacancies allotted to various agencies are as follows:-
