

ALLOTMENT OF VACANCIES FOR SCREENER'S CERTIFICATION TEST.

E-86468

The Basic AVSEC and Screener's certification programme is a recurring requirement since all the security / other employees of organization in civil aviation have to be certified/ re-certified undergo refresher courses periodically as mandated by NCASTP and other BCAS guidelines issued under section 5A of Aircraft Act 1934 and Aircraft Security rule 2011(as amended) by the appropriate authority.

2. Keeping in view the increase in operations as well as closure of operations by some airlines, the allotment of vacancies has been readjusted as mentioned below. The number of candidates per course shall remain 40. The same beside being communicated to all concerned by this HQ shall be taken as a norm by regional offices while accepting the nominations till such time further changes are necessitated. Where the concerned agency/ airlines has not utilized allotted vacancies, additional vacancies can be released to those who may be seeking the same.

4. The vacancies allotted to various agencies are as follows:-

Name		Vacancies allotted
1. Air India (NACIL)	-	06
2. Jet Airways	-	06
3. Indigo	-	08
4. Spice jet	-	05
5. Go Air	-	04
6. Vistara	-	04
7. Air Asia	-	02
8. Regulated Agent	-	02
9. Other Airlines	-	03
Total	-	40

5. RD office shall ensure that APSU's are made aware of the NCASTP and BCAS requirement in the region and they appear in Testing & Certification of screener based on their requirement. O/o RD shall scrutinize the nominations and accept nomination based on approved security programme of organizations, NCASTP and BCAS guidelines. the list of accepted nomination should be forwarded (Training Division) 48 hrs in advance to the Hqrs BCAS training division.

6. RD will comply with the above direction, however, have the discretion to deviate from the quotas indicated above with adequate justification, which should be communicated to Hqrs in writing well in advance. In case insufficient nominations received RDs should accommodate additional nominations submitted by any stakeholders to make good the shortfall from 40 per batch.

This issues with the approval of DG, BCAS.
